

PRIVACY POLICY FOR TRAC MOBILE MONITOR

This privacy policy governs your use of the software application TRAC Mobile Monitor for mobile devices that was created by Safe Community Institute. TRAC Mobile Monitor pairs with the TRAC device and is used solely for court purposes.

Automatically Collected Information

The Application may collect certain information automatically, including, but not limited to, the type of mobile device you use, your mobile device's unique device ID, the IP address of your mobile device, your mobile operating system, camera, Bluetooth, current battery level, when the phone was powered on, facial recognition and location information.

Do third parties see and/or have access to information obtained by the Application?

No information will be sold to any third party; only official court representatives and personnel may have access to this information upon request. We will share your information with third parties only in the ways that are described in this privacy statement.

We may disclose User Provided and Automatically Collected Information:

- as required by law, such as to comply with a subpoena, or similar legal process;
- when we believe in good faith that disclosure is necessary to protect our rights, protect your safety or the safety of others, investigate fraud, or respond to a government request;
- with our trusted services providers who work on our behalf, do not have an independent use of the information we disclose to them, and have agreed to adhere to the rules set forth in this privacy statement;
- if Safe Community Institute is involved in a merger, acquisition, or sale of all or a portion of its assets, you will be notified via email and/or a prominent notice on our Web site of any change in ownership or uses of this information, as well as any choices you may have regarding this information.

Data Retention Policy, Managing Your Information

We will retain User Provided data for as long as you use the Application and for an indefinite time thereafter. Please note that some or all of the Automatically Collected Information may be required in order for the Application to function properly.

Security

We are concerned about safeguarding the confidentiality of your information. We provide physical, electronic, and procedural safeguards to protect information we process and maintain. We limit access to this information to authorized employees, and contractors who need to know that information in order to operate, develop or improve our Application. This information is also limited to official court representatives and personnel. Note that any information shared between users of the program and any operating supervisor may be shared at any time to any law enforcement agency or court official. Please be aware that, although we endeavor provide reasonable security for information we process and maintain, no security system can prevent all potential security breaches.

Changes

This Privacy Policy may be updated from time to time for any reason. You are advised to consult this Privacy Policy regularly for any changes, as continued use is deemed approval of all changes.

Your Consent

By using the Application, you are consenting to our processing of your information as set forth in this Privacy Policy now and as amended by us. "Processing" means using cookies on a computer/hand held device or using or touching information in any way, including, but not limited to, collecting, storing, deleting, using, combining and disclosing information, all of which activities will take place in the United States. If you reside outside the United States your information will be transferred, processed and stored there under United States privacy standards.

Contact Us

If you have any questions regarding privacy while using the Application, or have questions about our practices, please contact us via email at customerservice@cam-sys.net.
